## THOUGHTS FROM PASTOR DAVE

It was good to see so many people in worship on Sunday. With school starting back and vacations coming to an end, we should all get back to our normal routines. The highlight of the worship service for me was the “Special” sung by our quartet. It was a number they have done several times and the harmony was beautiful. Diana Byers did the ‘children’s sermon’ and she was telling our kids to “be prepared”. We, too, should be prepared to be tested as Christians, stay focused on the love of Jesus and the goal of a heavenly reward.

We had quite a few prayer concerns this week. Please keep Ty Summerville in your prayers as she recovers from heart surgery. Keep Elaine Hord in your prayers that she can remain strong and stay out of the hospital. Keep our friend, James Sanders, in your prayers, as well as Bob Heaton as they are in rapidly declining health. Please take time to look at the “prayer concern” section and pray for each person on the list as they do need your prayers.

It was great to have our oldest grandson, Dylan Wilde, visiting with us for a few days last week. Our children and grandchildren are very important and special people to us!

Watch out for children as you drive this week as they return to school. Please take a moment today and pray for the schools, students, teachers, staff and administrators. Also, please pray for our college students as they begin school.

I wish you a safe, happy and healthy week. Enjoy the relief from the heat.

May the peace of Christ be in our hearts and may bless all those you come in contact with this week.

Pastor Dave Wilde
